

**2.6M Americans
are addicted
to opioids.**

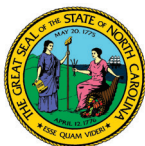

We can help.

Learn more at [MedicineSafe.org](https://www.MedicineSafe.org)

MedicineSafe.org is a coalition of local community organizations, our North Carolina Secretary of State Elaine F. Marshall, and national partners, invested in providing our citizens with safe tools and information about prescription drugs.

The MedicineSafe resources help you and your family find safe ways to manage prescription medicines in your home—whether it's buying or storing medicine or addressing addiction.

MedicineSafe

North Carolina State Advisory Council members include:

CSIP Members. Experts you can trust.
